Fear's awake, anger beats loud, face reality

Never beats charity

The enemy you're fighting covers all society (damn right)

Mommy's not here, gotta fight (all night)

Right here, shadow ten o'clock direction

Seize the moment, destroy the nation

Your rhyme is slow-motion, give me motivation

Freaked out now, and dead on arrival (what)

Round up around, spit out all over

Rhyme like a rolling stone comin' a crowd

Watch out, they move, they diss you loud

Guess what this sound, it bombs whole ground (so round up)

Don't ease your pace, 'cause enemy's brutal
 Moment of truth, there ain't no truce
 You're the only one, one world, one love
 But the battle goes on, shadows of mass destruction
